FIG. 12

FIG. 13

FIG. 14

FIG. 15

FIG. 16A is a cross-sectional view of a multi-layered cylindrical structure. It shows a central core (48) surrounded by multiple layers. The layers are labeled with reference numerals: 64, 30, 64, and 70. A dashed line (84) indicates a specific layer or boundary. The structure is shown in a perspective view, with the layers curving around the central core.

FIG. 16B is a top-down view of the same structure, showing a large, circular, multi-layered coil. The layers are labeled with reference numerals: 78, 72, 74, 64, 36, 32, 34, 12, and 48. The layers are grouped into two sets: 78, 72, and 74 are grouped together and labeled 70 with a minus sign ( $\ominus$ ); 36, 32, and 34 are grouped together and labeled 30 with a plus sign ( $\oplus$ ). The central core (48) is visible in the center of the coil. The outer edge of the coil is labeled 96, and a small section at the bottom is labeled 90.
